

CARNEGIE INSTITUTION OF WASHINGTON  
**DEPARTMENT OF GENETICS**  
COLD SPRING HARBOR, LONG ISLAND, N. Y.

January 17, 1955

Dr. Joshua Lederberg  
Department of Genetics  
University of Wisconsin  
Madison, Wisconsin

Dear Dr. Lederberg:

Would it be possible for me to  
spend about a year working in your laboratory,  
starting this fall? If so, I will apply  
for a Commonwealth Fund Fellowship to finance  
my way. In case this is not granted, do  
you have any funds available for me?

Sincerely,

*Alan Garen*
